

External funding

To summarise, during my time at Lund University (1993 – 2012) I have - as main applicant and as co-applicant - in competition received grants of 25 million Swedish crowns (not counting the VR funding for Linné environment).

2012	€ 700,608 (6 000 000 SEK) Funding from Marcus och Amalia Wallenberg foundation, project " <i>EyeLearn: Using visualisations and technology in the digital classroom</i> ", co-applicant, with Assoc. prof. Kenneth Holmqvist (PI) & Dr. Marcus Nyström, Humanities laboratory
2012	€ 17,515 (150 000 SEK) Advanced study group " <i>Classroom of the future</i> ", Pufendorf institute, main applicant
2011	€ 245,000 (2 200 000 SEK) Funding from KAW and from Lund University Council for Research for Infrastructure, project <i>Digital classroom</i> , co-applicant, with Assoc. Prof. Kenneth Holmqvist & Dr. Marcus Nyström, Humanities laboratory
2011	Research Fellowship (2 months), project " <i>Cognitive Processes underlying Mental Imagery and Problem Solving</i> " funded by the Institute for Advanced Study (Hanse-Wissenschaftskolleg), Delmenhorst, Germany.
2010	Research Fellowship (4 months), project " <i>Cognitive Processes underlying Mental Imagery and Problem Solving</i> ", funded by the Institute for Advanced Study (Hanse-Wissenschaftskolleg), Delmenhorst, Germany.
2007	€ 93,900 EUR (840 000 SEK) Research grant from Swedish Research Council (VR) for " <i>The existence and use of mental images</i> ", co-applicant, with Assoc. Prof. Kenneth Holmqvist and Roger Johansson.
2009	€ 37,500 (300 000 SEK) Research grant from Crafoordska stiftelsen for " <i>Multimodal learning</i> " main applicant, with Nils Holmberg.
2008	€ 8 880,000 Research grant from Swedish Research Council (VR) for Linnaeus environment " <i>Cognition, communication and learning. Thinking in time</i> ", (contributed to the proposal), PI:s Professor Peter Gärdenfors, Professor Germund Hesslow, Professor Magnus Lindgren and Professor Birgitta Sahlén.
2008	Research Fellowship (7 months), project " <i>Multiple Windows on the Mind and Action</i> " funded by the Institute for Advanced Study (Hanse-Wissenschaftskolleg), Delmenhorst, Germany.
2006 2007	€ 1,844 Publication support from Swedish Research Council (VR) for " <i>Pictorial and spoken elicitation yield the same imagery eye movements</i> " (Cognitive Science); and 4 313 SEK for " <i>Discourse, Vision and Cognition</i> " (Benjamins).
2006	€ 5,600 Research project from Helge Ax:sson Johnsson Foundation for

	<i>"Information Graphics and Eye Movements. Tracking reader's interaction with a multimodal document genre"</i> , main applicant, with Assoc. Professor Kenneth Holmqvist and Nils Holmberg.
2005	€ 44,700 (400 000 SEK) Research grant from Erik Philip Sörensens Foundation for <i>"Reading Styles on a Newspaper Spread - semiotic analysis and eye movement analysis"</i> , co-applicant, with Assoc. Professor Kenneth Holmqvist, Nils Holmberg and Assoc. Professor Henrik Rahm.
2004	€ 290,600 Research grant from Swedish Research Council (VR) for <i>"Reading during writing"</i> (Att läsa medan man skriver), co-applicant, with Dr. Åsa Wengelin, Assoc. Professor Kenneth Holmqvist, Roger Johansson, Dr. Victoria Johansson.
2002	€ 293,500 (1 933 000 SEK) Postdoc Research Grant (Forskarassistenttjänst) from Swedish Research Council (VR) for <i>"Language and Cognition: The Interplay between Language Production and Visual Information Gathering during Picture Descriptions"</i> , main applicant.
2001	€ 279,400 Research grant from European Commission for <i>"PARADYS project: Images of Self and Others in Decision Making Processes"</i> , main applicant for the Swedish team, with Assoc. Professor Henrik Rahm, Dr. Mathias Baier and Professor Håkan Hydén.
2002	€ 138,100 Research grant from Swedish Research Council (VR) for <i>"Dynamics of Perception and Production in Text Writing"</i> (Produktionens och perceptionens dynamik under textskrivande), co-applicant, with Assoc. Professor Kenneth Holmqvist, Dr. Åsa Wengelin, Dr. Victoria Johansson, Professor Sven Strömquist
2001	€ 5,600 (50 000 SEK) Research grant from Wahlgrenska Foundation for <i>"Readers' Interaction with Net Papers"</i> , main applicant
2000	€ 23,700 Research grant from Centrum for Europe Research (CFE) for <i>"Diplomatic Voices and the Media"</i> , main applicant, with Dr. David Wästerfors.
1995	€ 178,800 Doctoral grant from Swedish Council for Research in the Humanities and Social Sciences (HSFR) for <i>"Vision and discourse"</i> , main applicant
1995	€ 223,500 Research grant from Swedish Council for Research in the Humanities and Social Sciences (HSFR) for <i>"Us and Them: Treating Social and Ethnic Categories in Discourse"</i> , co-applicant, with Assoc. Professor Nils Jörgensen.
1994	€ 16,800 Research grant from Erik Philip-Sörensens Foundation for <i>"Det egna och det främmande"</i> , co-applicant, with Assoc. Professor Kenneth Holmqvist.
1993	€ 223,500 Research grant from Swedish Research Council (HSFR) for <i>"Conceptual Engineering: Implementation of Cognitive Semantics"</i> , with Associate Professor Kenneth Holmqvist.

Earlier projects conducted in Czech Republic and Germany (1986–1993) are not included.

Associate Professor Jana Holsanova, Cognitive Science Dept., Lund University
