### Conference presentations (invited speaker):

1. The good, the bad and the in-between: in search of a Finnish personal passive. Grammatikfestival, University of Gothenburg, Sweden, 28. May 2010.
2. A raising analysis of Finnish relative clauses. The 19th Scandinavian Conference of Linguistics. University of Tromsø, Norway, 10-12. January 2002.

### Refereed conference presentations:

1. Agentivity, causativity and passive participles in Finnish. The Linguistic Association of Great Britain (LAGB). University of Manchester, UK, 7.-10. September 2011.
2. Properties and structure of Finnish *tulla/joutua* passives. International Conference on the Structure of Hungarian: Workshop on Uralic and Scandinavian Languages. Lund University, Sweden, 25.-28. August 2011.
3. (with Fredrik Heinat and Eva Klingvall) How do things get done? On non-canonical passives in Finnish. Deutsche Gesellschaft für Sprachwissenschaft (DGfS). Georg-August Universität, Göttingen, Germany, February 2011.
4. (with Katrin Hiietam) Passives or impersonals? Evidence from Finnish and Estonian impersonal passive and zero person constructions. The Linguistic Association of Great Britain (LAGB). University of Leeds, UK, 1.-4. September 2010.
5. (with Fredrik Heinat) Evidence for a Finnish personal passive. The Linguistic Association of Great Britain (LAGB). University of Leeds, UK, 1.-4. September 2010.
6. (with Katrin Hiietam) On the Baltic-Finnic Zero Person Construction. Syntax of Finno-Ugric Languages and Universal Grammar. Pazmany Peter Catholic University, Piliscsaba, Hungary, 9.-14. August, 2010. (a refereed poster).

7. (with Fredrik Heinat) Gradient well-formedness of Finnish passive constructions. The 24<sup>th</sup> Scandinavian Conference of Linguistics. University of Joensuu, Finland, 25.-27. August 2010.
8. (with Diane Nelson) The Finnish passive is really a passive. The Linguistic Association of Great Britain (LAGB). UMIST, UK, 17.-19. September 2002.
9. On circumstantial adverbials. The Linguistic Association of Finland (SKY). 27. annual conference. University of Oulu, Finland, 19.-20. May 2000.
10. The relation between hierarchical structure and linear ordering. The Linguistic Association of Great Britain (LAGB). University of York, UK, 7.-9. September 1999.
11. Hierarchical structure, linear order and the theory of layered vPs. The Relationship between Syntax and Semantics in the Analysis of Linguistic Structure. University of Helsinki, Finland, 2.-4. September 1999.
12. Why 'adverb' is a lexical case. Adverbs and Adjunction. University of Tromsø, Norway, 17.-18. April 1999.
13. On manner adverbs. Deutsche Gesellschaft für Sprachwissenschaft (DGfS). Martin Luther Universität, Halle/Saale, Germany, March 1998.

#### **Unrefereed seminar and workshop presentations / colloquia:**

1. (with Fabian Beijer) Still investigating marginal constructions with the help of corpus data: the case of prepositional passives. English Linguistics Seminar, Lund University, April 2012.
2. (with Fabian Beijer) Investigating marginal constructions with the help of corpus data: the case of prepositional passives. English Linguistics Seminar, Lund University, January 2012.
3. Resultative passives in Finnish. Department of Language and Linguistic Science, University of York, November 2011.
4. Agreeing passives with *tulla/joutua* in Finnish. Department of Linguistics, University of Leeds, May 2011.
5. (with Eva Klingvall) Passivizing the unpassivizable. Department of Languages and Literatures, University of Gothenburg, April 2011.
6. (with Fredrik Heinat and Eva Klingvall) Agreeing passives in Finnish. Grammar in Focus, Lund University, February 2011.
7. (with Fredrik Heinat and Eva Klingvall) Using magnitude estimation to investigate linguistic acceptability. English Linguistics Seminar, Lund University, November 2011.
8. (with Fredrik Heinat) Using gradient acceptability judgments to investigate syntactic constructions. Grammar in Focus, Lund University, February 2010.

9. (with Diane Nelson) Passives, indefinites or something else? Department of German, Lund University, May 2003.
10. (with Diane Nelson) Could it be more passive? Arguments for a passive construction in Finnish. Grammar seminar, Department of Nordic Languages, Lund University, April 2003.
11. (with Diane Nelson) The passive: how to determine if a language has passives. Department of English, Lund University, November 2002.
12. (with Diane Nelson) Passives were analyzed. The School of Linguistics and Language, University of Durham, October 2002.
13. Finnish PPs and the phase impenetrability condition. Grammar seminar, Department of Nordic Languages, Lund University, May 2001.
14. How do we know if this is a bad sentence. Humanistdagar, Lund University, April 2001.
15. Linear ordering in PPs and the phase impenetrability condition. Grammar in focus, Lund University, February 2001.
16. Stage level and individual level predicates with place and time adverbials. Semantics in focus, Lund University, October 2000.
17. The licensing of adverbials within the minimalist framework(s). Department of English, Lund University, October 2000.
18. Adverbials and the Minimalist Framework. Department of Finnish and General Linguistics, University of Tampere, January 2000.
19. Why 'Adverb' is a Lexical Case. Department of Language and Linguistic Science, University of York, May 1999.
20. Interpretation of Adverbials with Stage/Individual Level Predicates. The Annual Postgraduate Conference, Department of Theoretical and Applied Linguistics, University of Edinburgh, UK, May 1997.
